YOU MUST BE DREAMING

Heading to Texas and longing to get behind the wheel of a sports car on your trip? DFW Elite Auto Rental has Ferrari F430s, a 2007 Lamborghini Gallardo, above, 2007 Porsche Twin Turbos, an Aston Martin V8 Vantage and the Corvette Z06 available for guided rides in Dallas, Houston, San Antonio and Austin. Part of the "Drive Your Dream" program, the package starts at \$489 per day and includes the chance to drive five dream cars. The day starts with a briefing by the tour guide and an overview of each vehicle. Then the guide takes you through the routes as you drive each car, negotiating deserted back roads. There are four options, including the "Every Mile a Memory Tour" (\$489), which features the Porsche Boxster convertible, the 1965 Corvette, the Mercedes SLK 55, the Lotus Elise and the Mercedes SL 500. The Couples Tour (\$789 per day for both participants) allows a couple to drive high-end sedans such as a Rolls Royce and the Mercedes S 550, and the Redline Tour (\$689) puts you behind the wheel of hot cars such as the Porsche 911 Carrera convertible and the Viper SRT-10. Call 817-838-RENT or visit dfweliteautorental.com.
